

## **Fabian Hoffman - (SAMRO)**

Fabian Hoffman has 31 years of experience in the Emergency Medical and Rescue Service since 1994. Presenting Rescue courses for 16 years' experience in the pre-hospital environment at Advance Life Support level and Advance Rescue Technician 16 years' experience as a rescue instructor, working also as an Advance Medical Rescue Technician.

Join South African Medical Rescue Organization (SAMRO) and become a world rescue assessor in 2016 for Command, Technical and Medical. I have been an assessor for several events, regional national and international, including WRC. It's an honor to have been selected as an international assessor again for Croatia 2025, and I'm excited to share knowledge and skills with you at this event. See you soon in Karlovac Croatia.
