

## **Jake Turner – (UKRO)**

I am a senior Emergency Medicine Registrar working in Birmingham, UK. I've been involved with the fire service and the UKRO for over a decade now, in assessor and educational roles. I work Pre-Hospitally for the West Midlands Care Team, and Enhanced Care Team in the West Midlands, and am a Race Doctor for Mallory Park Race Track.

I've been involved with the WRO for around two years now, and greatly enjoy the responsibilities and opportunities this organisation has to offer.
