

Mark Brennan – Trauma Lead

Executive member and trauma coordinator for Rescue Organisation Ireland since 2017. Previously competed in the Trauma and Extrication Challenges both nationally and at the World Rescue Challenge.

Currently co-Deputy head of Trauma and Medical Extrication for the World Rescue Organisation.

I have close to 30 years experience in pre-hospital care and am an educator and instructor in many aspects of emergency care and vehicle extrication. I specialize in motorsport medicine and rescue and am a director of Motorsport Rescue Service in Ireland and am a trainer with Motorsport UK.
